RECOMMENDER QUESTIONS A key factor in evaluating every applicant will be the extent to which the recommenders respond to the five questions below. Please use a separate sheet.

This scholarship is not a traditional scholarship. Instead, our goal is to reward innovative and creative problem solving. We are looking for:

- Students who have solved an artistic, scientific, or technical problem in a new or unusual way; or
- Students who have come up with distinctive solutions to problems faced by their schools, communities, or families

Question #1: How do you know this applicant? How long have you known them?

Question #2: Why, from your knowledge of this applicant, would they be a suitable candidate for this scholarship?

Question #3: What can you tell us about how this project originated? What, if any, was your role in the development of this project?

Question #4: What is the potential impact of this project?

Question #5: What else can you tell us about this applicant that would be relevant to our assessment of their suitability for this scholarship?

PLEASE NOTE: Only letters that address directly the project or activities the applicant described in his/her application will be helpful to the applicant.
